RHONA DEL FRARI

Corporate Director

Rhona DelFrari is an accomplished C-Suite executive, non-profit board director and advisor specializing in sustainability, stakeholder engagement, organizational transformation and communications.

As founder of RDel Insights, Rhona advises organizations on how to sharpen their strategy and build credibility and profile. In her previous role as Chief Sustainability Officer and Executive Vice-President at Cenovus Energy, Rhona was responsible for ESG, Indigenous & community engagement, policy development and communications.

Rhona volunteers for the boards of Calgary Counselling Centre, Momentum and Cuso International, and was previously on the boards of Immigrant Services Calgary, the Canadian Chamber of Commerce and Add Your Light Charitable Foundation. She has served in senior

advisory council roles for industry associations and national think tanks.

Rhona completed the Global Energy EMBA from the University of Calgary, a Bachelor of Journalism & Communications from Carleton University and has governance training from the Institute of Corporate Directors and Competent Boards.
