Public Policy

ROBERT MANSELL

Research Fellow

Energy & Natural Resources
Policy

Dr. Mansell is a Research Fellow at the School of Public Policy and an Emeritus Professor of Economics, University of Calgary. He is the Former Head of Economics, Dean of Graduate Studies and Associate V.P. (Academic), Academic Director, School of Public Policy and founding director of the Institute for Sustainable Energy, Environment and Economy (ISEEE).

Dr. Mansell has a PhD in Economics with specialization in econometrics and regional resource economics. He has authored over 100 studies on energy and regulatory issues as well as many other studies on regional economics. Examples include publications on: traditional and incentive regulation; tolling alternatives for pipelines; the economic impacts of energy and related projects; fiscal transfers, policy and restructuring; and changes and challenges in the Alberta economy.

Dr. Mansell is qualified as an expert witness before many national and regional energy and utility regulatory tribunals.

In addition to serving on a large number of UCalgary committees, councils and task forces, he has provided extensive service on a variety of external committees and boards. Examples include service: on the Energy Strategy Advisory Committee and Royalty Review Panel for the Government of Alberta; as an advisor on numerous major pipeline, processing and petrochemical projects in Canada; on the Canadian Academy of Engineering Energy Pathways Taskforce; on the Council of Canadian Academies as an author; and, on the Boards of Directors of the Alberta Energy Research Institute, Alberta Innovates-Energy and Environment Solutions, the Canadian Energy Research Institute, the Alberta Ingenuity Centre for In Situ Energy, the Van Horne Institute and Emissions Reduction Alberta (formerly Climate Change and Emissions Management Corporation).
