

Breaking Down Barriers: Unlocking Canada's Economic Potential

A Forum on Trade, Regulation & Competition

Wendy Luther

President and CEO, Halifax Partnership

Joining Halifax Partnership as President & CEO in June 2019, Wendy leads the organization toward achieving *People. Planet. Prosperity. Halifax Inclusive Economic Strategy*'s ambitious goals of growing our population to 650,000 and GDP to \$32 billion by 2037. She is a champion for Halifax, bringing public-private sector leadership experience in representing Halifax and Nova Scotia nationally and internationally.

Wendy is passionate about building deep, collaborative relationships with the business community, Investors, and other stakeholders to support what the Partnership does best – playing a leading role in positioning Halifax as a city of the future, where businesses and people thrive.
